## TEACHER RECOMMENDATION

This application requires one recommendation from a teacher. YOU must ask the teacher for a recommendation! Your teacher must complete and submit the recommendation form online. Below list the teacher's name and email address that will be providing a recommendation for you.

Teacher Name\_\_\_\_\_

Teacher Email\_\_\_\_\_

## APPLICATION PART 1

Please answer the following short answers so we can better get to know you. Your answers to this section of the application will be used to evaluate your application individually to help us get a sense of your interest in Summer Ecology Program and what impact it could have on your life.

1. Tell us about Yourself. What do you do after school? What do you do on the weekends?  
What are your hobbies and interests?
2. What 5 adjectives would your friend and family use to describe you?
3. Describe your interest in science? Why is science important? Why is science interesting?  
How do you use or want to use science in your life?

4. Describe your interest in the Summer Ecology Program. Why do you want to participate?  
What are you excited about?
5. What are your strengths? What are you good at? What are the best qualities of your character?
6. What areas of yourself do you wish to improve?
7. Imagine yourself in 10 years. Who do you want to be? Describe yourself.
8. Why do you think participating in the Summer Ecology Program will have a big impact on your life?
9. Have you ever participated in a science program outside your classroom? If so, please describe.
10. Have you ever participated in an overnight program with your school or over the summer? If so please describe.

11. Do you have previous camp or other outdoor experience? If so describe. (None is needed though).

12. What careers or jobs are currently interest you?

## APPLICATION PART 2

We are NOT looking for specific answers to these questions. We are asking these questions to help us get a sense of who you are which will enable us to build a diverse team.

1. Rank the following statements based on how much you agree with them.

	I completely agree! This is me.	I am like this sometimes.	This is usually not like me.	This is not like me at all!
I prefer to take charge.				
I am confident stating my opinion in front of others.				
I am confident asking questions in front of others.				
I like to be the one that keeps the group organized.				
I like to get my work done by myself. I am independent.				
I like presenting/public speaking.				

2. When I am curious about something in class, I ...

- ☐ Raise my hand and ask a question in front of the class
- ☐ Research the question on my own
- ☐ Ask my teacher later when there are not so many people around
- ☐ Other: \_\_\_\_\_

3. How will you contribute to the diversity of our team?

*Remember that there are many aspects of diversity.*

- ☐ Mammals and wildlife
- ☐ Plants and trees
- ☐ Fish
- ☐ Insects
- ☐ Water – streams and lakes
- ☐ Soil and fungi
- ☐ Geology
- ☐ Human interactions with ecosystems

9. Will you be applying for financial assistance? We want all interested youth to participate in this program regardless of financial ability. We have grant funding to support students who need it. This will not affect your application.

## FINAL THOUGHTS

*We strive to create a safe and supportive space for people of all types. Your answers to this section of the application will not affect selection decisions. We are asking these questions so that as we move forward with planning, we are able to provide whatever the team needs to feel safe and supported.*

1. If selected to participate, is there anything you are nervous or concerned about?  
Please describe.

---

---

---

---

---

2. Do you have any special needs? If so, please describe.

---

---

---

---

---

3. If selected, is there anything we can do for you to help you feel safe and supported?
